

FEARS FOR VIABILITY OF CHARLES STREET SCHEME

Is 'miracle' bubble bursting?

HAS Dorchester's economic 'miracle' ground to a halt? That is the question many are asking this week as councillors heard a warning that the project may not be viable.

At the same time there is concern that shops remain empty in South Street and even booming Brewery Square is having to work hard to attract new tenants for some of its shop units.

LOCAL councillor
Alistair Chisholm - "Extraordinary delay"

There is also a call for a re-think on new car parking for the town centre - with suggestions that a small multi-storey could be built on top of the Roman Baths which lie underneath Wollaston Field.

District councillors have been warned that the Charles Street scheme, of shops and homes, may not be financially viable if English Heritage continue to insist on a full archaeological survey and possible protection for any impor-

tant finds. A decision on buying out the Community Church, in Acland Road, which needs to be demolished to make way for the Charles Street scheme has also yet to be made.

West Dorset District Council's strategy director, Stephen Hill, said concerns had been raised by English Heritage that archaeological investigations proposed for the second phase of the development were not thorough enough and might have "significant financial implications for any development of the site".

He told councillors: "The scheme, as planned by Simons, may not be financially viable, but we are wait-

ing for Simons to confirm their thoughts."

Councillors have also been told that Simons has yet to guarantee access rights to the Hardy Arcade and Tudor Arcades - another potential stumbling block.

Simons said it is not prepared to comment at this time due to the "commercially sensitive nature of the project."

Little progress

The development company held a public consultation a year ago - but there has been little, public, progress since then.

Meanwhile half a dozen shops remain empty in the town's main shopping area, South Street, with a number of units still not taken in Brewery Square.

Dorchester councillor Alistair Chisholm said the fact that the Charles Street scheme appeared to be being

held up by the archaeology was 'extraordinary,' and points out that everyone knew about what might lie under the site when it was first discussed more than 30 years ago. He believes the town should capitalise on any finds and incorporate them into the development - being treated as a positive benefit for the scheme, not as an excuse not to go ahead.

Puddletown area councillor Patrick Cooke is now asking for the Wollaston Field parking option to be looked at, removing the need for an underground car park and dealing with the English Heritage objection.

But long-standing critic of the scheme, Philip Jordan, said that while the issue of car parking should be looked at again, he believed a second layer of car parking at Wollaston Field is unlikely to provide sufficient spaces - put at only 88 extra parking bays. He fears it could result in similar delays and objections

JIM Thomas is retiring from teaching at The Woodroffe School. A popular local figure that worked with the Lifeboat team for 21 years and with the Coastguards for the last 15 years, he was awarded The Ted Wragg Teaching Award for Lifetime Achievement in the South West in 2012. Jim has been a teacher at Woodroffe for 40 years.

How are you feeling about your upcoming retirement?

EXCITED about the freedom I hope it will bring and a longing for a life not dictated by bells! I'm going to have a gap year as well! Most people have their gap year between school and university or university and work; well I'm going to have mine between work and retirement.

Which part of teaching will you miss the most?

FIELDWORK teaching in the outdoors to help students interpret our wonderful landscape and the daily interaction with students. I've said to the school that I'll help out if they need a supply teacher from time to time, because I really have enjoyed being in the classroom.

WHY did you want to become a teacher?

I still don't know... I just seemed to fall into it, I did a degree in Geography at Aberystwyth University in the early 70s and wasn't ready to leave university so I thought I would do teacher training, and when I finished that I thought well I better get a job. That was when I came to Lyme Regis.

Could you have picked a better spot to teach geography than along the Jurassic coast?

I DON'T think there is a better place in the world to do geography than overlooking the Jurassic Coast, I started my teaching career here and my room which used to be called Room 34, had the best view of any geography class room in the country, you over looked Lyme Bay and over towards Golden Cap, the geography was there for you!

You went from Geography teacher to Head of Sixth form, via Head of Humanities, was that a

challenge you relished?

NO, I was frightened about it. I wasn't keen really. I didn't think I would be much good at the pastoral care, I loved the subject of geography and I wanted to really teach the subject and motivate students and plan progression with teaching and learning and I wanted to take that further and I wasn't sure about the pastoral side and I discussed it with my wife and my children and all three of them said "Go on dad, you can do it".

Have you enjoyed your time as Head of Sixth Form?

YES. It's a very different job from being head of a department, as you've got so much more of the pastoral care and so much more interaction with the students also your day is being hijacked, because you come into school with a plan and there is always something that needs dealing with, a problem or an issue.

Can you tell us what you try and instil in your sixth form students?

A ZEST for life and learning. Effective communication. Work hard and Play hard – do your best so you have no regrets. Grab any opportunities offered with both hands. Remember we all have choices – make sure yours is an informed choice. Be honest with yourself and with others. Enjoy life and look after each other and always remember to thank those who have helped you.

Do you live by any mantras?

GIVE it a go – don't be frightened by getting things wrong, but learn from the mistakes you make. Quotes from figures such as the Dalai Lama, Gandhi, BB King and Aldous Huxley also provide me with inspiration daily.

Six marathons in a week to raise awareness of children's charity

A DORSET runner who completed the equivalent of more than six marathons over the course of a week showed her support for the Dorchester Opportunity Group by popping in on the penultimate day of her 220-mile journey.

Rachel Goodfellow undertook the challenge to raise awareness, and funding, for groups working with children with additional needs.

Looking remarkably fresh she was greeted at the Maiden Castle Road School by Mayor Robin Potter, Town Crier Alistair Chisholm and staff and volunteers at the school.

One of the town's fire crews with a tender and a vintage sports car were also at the welcome event with runners running fundraising stalls and games.

Mr Potter, a retired teacher, spoke of the important work of the unit and of the dedication of staff and volunteers and praised Mrs Goodfellow for her efforts in raising awareness of the needs of young people with extra needs.

The Sherborne mother-of-four, 49, set up the Hidden Needs Trust to support the work of Opportunity Groups in Blandford, Dorchester, Yeovil, and Taunton.

She said: "So many people don't know these Opportunity Groups exist so I'm trying to make everyone aware of the help they give to children.

"I want to raise as much money as possible as well because each group needs at least £20,000 a year to continue their valuable work."

The Dorchester group is currently looking for additional trustees and volunteers to work with the youngsters or to help with fundraising and other activities.

By Trevor Bevins
trevorbevins@gmail.com

Chair of Trustees, Mike Green, said he would be happy to give more information to anyone who could spare some time if they call him on 07771 992316.

Mrs Goodfellow made light of her running efforts which she said had been a delightful way of seeing some of the county's most beautiful areas.

The Hidden Needs Trust's name refers to the fact that some children's problems, such as speech development, are not always obvious and are often

manifested in later school years.

Her Dorset marathon started and ended at Trent Young's Endowed Primary School where two of her children are pupils.

During the course of her trek she includes around 100 miles of coastal path.

On the day she arrived in Dorchester she had started in Blandford at 7am, stopping in Milton Abbas for breakfast, before making her way to the county town. After her visit to the Dorchester Opportunity Group she then ran on to Cerne Abbas.

Her website can be found at - www.hiddenneedstrust.org website to see the latest events planned and to donate.

Thief helps police in car theft crackdown

DORSET Police is launching a vehicle crime awareness campaign, to coincide with one of the busiest times of year in the county – the school summer holidays.

Thefts from unattended vehicles usually peaks during the hot weather, as more people visit local beauty spots and beaches.

Dorset Police has spoken to a convicted car thief

about how he selected vehicles, to provide tips on how to avoid becoming a victim of vehicle crime, as thieves often need only 10 to 20 seconds to commit a crime.

Detective Inspector Andy Dilworth said: "Vehicle crime has been an issue in Dorset for several years, and despite arresting prolific offenders regularly, criminals continue to target vehicles across the

county. In this hot weather, people sometimes leave their windows open and doors unlocked when they park up or leave smaller items like sunglasses on show, which entices the thieves to try door handles and break-in to the vehicle.

"Some criminals attempt to steal from one hundred vehicles per night, so the advice we're giving is clear: remove it, lock it!"

A convicted car thief said: "The more security that your car has, the less likely it is to get done.

"When I'm looking at a car, I'm looking at what kind of security it's got, I'm looking at whether it's going to be something quick and easy or if it's going to take a bit of time. Depending on the situation and time I've got, I decide whether it's worth doing.

"I've found wallets in there, car keys and house keys, jewellery – people just leave a lot of stuff. Don't leave anything on display – nothing. I wouldn't even leave anything in door wells."

Planners approve falconry centre

A FALCONRY Centre and Owl Sanctuary, on a disused garden nursery at West Stafford, has been approved – despite the objection of neighbours.

They claimed noise and traffic generated by the attraction would make their lives "hell."

West Dorset District councillors approved the plans – 10 in favour, one against and one abstention.

Sanctuary owner Martin Ballam said: "The entrance is before the properties and there would be a passing bay in the lane so I don't feel that's a great concern.

"I am also 100% confident that there will not be a noise issue."

It is believed the centre could attract up to 12,000 visitors a year during a March to November season.

Thieves steal 26 college chainsaws

THIEVES have stolen twenty six chainsaws from a construction site at Kingston Maurward College – with officers appealing for witnesses and anyone with information to come forward.

The incident happened overnight between Thursday, July 2nd and Friday 3rd when the offenders forced their way into a secured shipping container.

The chainsaws are Stihl and Husqvarna and marked with the letters 'KMC' followed by a number.

Police Constable Mark Edgar, of Dorchester police, said: "I am appealing to anyone who may have seen or heard anything overnight on the relevant dates to contact me.

"I would ask the public to look out for these items as they may be put up for sale online or locally.

"Anyone with information should contact me on 101. All calls will be treated in strict confidence."

Witnesses and anyone with information should call Dorset Police in confidence on 101 quoting incident number 3:65. Alternatively, call the free and anonymous Crimestoppers line on 0800 555 111 where mobile phone tariffs may apply.

which has affected the adjoining Charles Street site, wasting more public money on a project which may still not be financially viable.

The existing scheme allows for 470 spaces, some underground, which has led to the English Heritage objection.

Extra parking at Wollaston Field was suggested

years ago – but not fully investigated by the council which ruled it out as an option.

A final decision on the purchase of the church was expected to be made by the council's executive committee this Tuesday.

The cost of buying the site and helping the church to move to a new site at Poundbury has been put at almost £1million.

Fewer charged with driving offences

FEWER people have been charged with drink or drug driving offences during this year's Dorset Police summer campaign.

A total of 34 people were charged – compared to 40 during June last year.

Of those charged this year 26 were men and eight were women, ranging in age from 19 to 78.

During the campaign Dorset Police carried out increased traffic patrols and roadside checks and every driver involved in a collision was breath tested, irrespective of whether they were suspected of drink driving.

Inspector Matt Butler, of Dorset Police's Traffic Unit, said: "Every summer Dorset Police runs a summer drink and drug drive campaign in a bid to remind everyone that it will simply not be tolerated."

"Unfortunately there are still some drivers in Dorset who are not getting the message that drinking and driving is dangerous and is simply not worth the risk."

"Research has shown that even one drink can impair the ability to drive so please don't get behind the wheel after drinking any alcohol at all."

"Officers will continue throughout the year to target those motorists who think they are above the law and pose threats to the safety of themselves and other road users by driving or getting on their bike after consuming alcohol or taking drugs."

New legislation introduced earlier this year has taken away the entitlement to request a blood or urine sample when their specimen of breath is less than 51mg per 100ml. This law is designed to close the loophole which previously allowed a person to potentially sober up while they waited for a blood or urine sample to be taken.

Anyone caught drink driving will face a minimum 12 month driving ban, a criminal record, up to six months in prison and a fine of up to £5,000.

Inspector Butler continued: "As in previous years, I would like to thank those members of the public who called us to report a drink driver. I'd continue to urge anyone who suspects someone is driving

under the influence of drugs or alcohol to call us so we can take action."

"Too many people have lost their lives because of such reckless actions. It is just not worth the risk."

He is asking anyone who suspect that someone is driving under the influence of alcohol or drugs, to call 999 immediately or call 101 or Crimestoppers with non-urgent information.

Specials recruiting period extended

DORSET Police have extended their Special Constabulary recruitment until the end of July, to allow for further applications to be submitted.

The "Specials" are volunteer police officers who have the same powers as regular police officers, wear the same uniform, are issued with the same equipment and have undergone specialist training before carrying out frontline duties.

They are asked to work a minimum of 16 hours per month and, where possible, this is broken down to a minimum of four hours per week. The working hours are flexible so that more time can be given if an individual chooses to spare it.

Chief Constable Debbie Simpson comments: "The Special Constabulary provide a highly visible presence in our communities and we currently have 224 deployed across the Force. I am delighted that our Special Constabulary recruitment has opened again, giving the opportunity for those with the drive and dedication to support their community."

Police and Crime Commissioner for Dorset, Martyn Underhill, said: "They play an important role in reducing the fear of crime by offering reassurance to communities. Being a Special opens up a world of opportunity for both the individual and the Force and I welcome applications from all sections of the community."

A CHILDREN'S Badminton club at Dorchester Sports Centre, which has just 12 players, is celebrating after almost half its members being selected to play for Dorset.

The 1610 Badminton club, which runs for just an hour every Sunday afternoon at the centre, now has five players, aged 9 to 17, selected for the Dorset County Badminton teams.

Warwick Dabbs, aged just 9 (Under 11's), Chris Tutton (Under 15's), Jeff Joy (Under 15's), Aimee Mortimore (Under 15's), Will Musk (Under 17's)

qualified for the Dorset Badminton squads last month and will play their first County matches in September.

The success of the club is proving to be a family affair as Warwick Dabbs' Father Simon is the Badminton coach and Mum Andrea is a Team Leader at Dorchester Sports Centre.

Andrea says she is very proud of what the club has achieved: "It just goes to show what can be achieved with one hour of coaching a week, Simon has done an amazing job with the children and we are very proud that we now have so many tal-

ented youngsters playing County level sport. We would like to encourage more young players to come forward and join what is proving to be a thriving club and Badminton is such a fun and rewarding sport to be involved with."

The 1610 Badminton club meets every Sunday afternoon (4pm-5pm) at Dorchester Sports Centre until the end of July and then re opens on September 13th. For Further details please contact Andrea Dabbs at Dorchester Sports Centre, 01305 858400, or email adabbs@1610.org.uk

Seafood festival pulls a crowd despite the weather

■ ENJOYING a glass of champagne at sponsors Pommery stall

■ THE stall belonging to the Ilchester Arms at Abbotsbury proved very popular

By Trevor Bevins
trevorbevins@gmail.com

POOR weather damped crowd numbers for Sunday's Weymouth Seafood Festival – although fine weather on Saturday brought in an estimated 30,000 people.

But overall the Pommery Dorset Seafood event may still have exceeded last year's record of 50,000 people.

South West Trains reported 1,000 people an hour coming off the London line on Saturday and the harbour had an increase in visiting vessels over the two days.

Quayside stalls and pop-up cafes were busy on both days with a range of seafood and drinks on offer.

There were also cookery demonstrations throughout both days on the Pavilion forecourt, supplementing around 100 stalls on either side of the harbour. Amongst those sharing their skills were Russell Brown and Mat Follas, both from Dorchester.

Visitors could try their hand at everything from filleting fish to crab picking at the 'how to' zone.

Amongst the new exhibitors this year was the Hive Beach Café from Burton Bradstock who set up a 'pop up' restaurant near the Pavilion.

Children's activities included face painting, crabbing and a Young Seafood Chef of the Year competition.

Steve Newstead, chair of the Weymouth Business Improvement District (BID) said the festival had been a great success, bringing new visitors to the town.

The event had recently been voted into top place in CNN's European food festival list.

Long delays on bypass as roadworks overrun

DRIVERS using Dorchester A35 bypass have faced several days of long delays and congestion.

Over-running roadworks meant a 10mph speed limit had to be placed on the road on Thursday and Friday – leading to long tail backs.

And at the weekend the volume of holiday traffic caused queues along the length of the road from Monkey's Jump roundabout to the Kingston Maurward roundabout. The tail backs, at times, stretched right into Dorchester town centre for drivers trying to get onto the road at the Avenue roundabout.

On social media drivers complained of having at least 20 minutes added to their Dorchester to Weymouth trips

A Highways England apologised to motorists for the delays they had experienced: "The resurfacing work we are carrying out is essential maintenance that is needed to keep this section of the A35 safe and reliable for many years to come.

"We appreciate that any roadworks will cause some level of disruption but we do everything we can to minimise this.

Bustin' through the rain and the jellyfish!

COMPETITORS emerge from the sea swim at Greenhill

JELLYFISH proved an unusual obstacle for triathletes taking part in Sunday's GU Energy Bustinskin Weymouth event on Sunday.

Several swimmers reported collisions with the creatures on the swim session off the beach at Greenhill.

The event was also dogged by rain but that did little to dampen the enthusiasm for local athletes with Bustinskin members taking first spot in the Sprint, Classic and Middle distance triathlons. Almost 200 entrants took part in the events, the longest distance, of a 1900m seaswim, 91k bike ride and 21k run, attracting the largest field.

The winner, Andy Sloan from Bustinskin completed the course in 4:41, followed home by clubmate Giles

Heaman with Jonathan Cooper a local Egdon Heath Harriers member in third spot. The slowest competitors took almost 8 hours to complete the gruelling course.

The Classic event also went to Bustinskin with Luke Voss completing the course in 1:58, followed home by Hamish Gallacher from the Royal Navy in 2:05 and Andy Marsh, another Bustinskin triathlete who came home in 2:06.

In the Sprint event another Bustinskin competitor, Michael Cottrell completed the course in 1:11 with Bustinskin's Lloyd Cranny just 3 seconds behind him at the line. Emma Foster from Wessex Wizards was third in the event, taking the women's top spot.

Suzuki Celerio is grand prize

ORGANISERS have launched the Grand Draw for Weymouth Carnival on August 19th with a star prize of a brand new Suzuki Celerio SZ2 generously supplied at a discount by Lanehouse Suzuki.

The draw has also received support from Littlesea Holiday Park and Howleys Toymaster who have supplied the second and third prizes.

Stuart McKenzie from Lanehouse Suzuki said: "The Suzuki Celerio SZ2 is brand new on the market and is already a very popular car in our showrooms. We hope interest in the car will boost ticket sales and help the Carnival raise funds for charity."

Carnival chairman Ryan Hope said: "We're very pleased to be working with Lanehouse Suzuki. They have been fantastic. We're also pleased to have to continued support from Littlesea and Howleys, both long term supporters of Carnival who have been only too pleased to help us again."

Draw co-ordinator Jess Wring said: "Tickets will be on sale between now and Carnival in various locations. If you run a local business and would be interested in selling tickets for us then please contact us via our Facebook Page and someone will drop some to you."

Children's museum activities

WEYMOUTH Museum is running a Roman themed craft activity for families where children will be able to create a Roman mosaic or construct a Roman helmet.

The "drop in" opens at 10.30am on Saturday, July 18th, and closes at 3.45pm. Adults pay £1 and children have free entry to the event at the Museum in Hope Square on the first floor of Brewers Quay.

Weekday minor injuries

THE Minor Injuries Unit at Portland is no longer open at weekends – with patients, from this week, having to travel to Weymouth.

Dorset HealthCare say that low use means that from this week the unit will only be open from 9am-5pm Monday to Friday. The decision has been criticised by local councillors with county councillor Paul Kimber calling on residents to write to him so he could take up their concerns with Dorset HealthCare.

■ **PETER** Noble, left, gaining recognition for his early work with image sensors at an awards ceremony in the Netherlands

Recognition at last for Peter's work

A DORCHESTER man has been recognised for his pioneering work with image sensors – the device in billions of cameras, some TVs and mobile phones.

Peter Noble, a local Rotarian, who lives at Poundbury, says that after four decades he has found overnight recognition in the world of image sensing.

Mr Noble gave a keynote speech at the recent International Image Sensors Workshop in the Netherlands, where he received a pioneering achievement award certificate.

His talk was centred round the world's first image shown based on the invention. This was done at his company in Dorchester in the very

early part of the 1970's – a mere 4K pixels, but it showed a clear image, both moving and still.

Mr Noble says this is as fundamental to imaging as the work by Sir Tim Berners-Lee is to the world wide web. There was also a book written at the time by him.

Part of his keynote talk was his view on the coming 50 years in view of his knowledge of the past 50 years. It included such topics as giving sight to the blind, the extreme dangers of truly intelligent humanoid robots, the generation and use of environmentally neutral energy, and other inventions which the global population will see in the coming few decades.

Lodmoor Ahoy! Free family fun

WEYMOUTH'S Friends of Lodmoor Country Park are inviting families to join them on Sunday, July 19th, for their free annual Lodmoor Ahoy! event.

Exploration and discovery activities from Hunt the Bee to Plot the Spot for children from three to 12 are being supplemented by a Green Gym Jog, involving a gentle circuit of the five Green Gym stations with rewards for participants.

Fixbike's Nigel Bowkett, appearing as "Dr

Bike", will be showing people how to safety check their cycles and Travel Dorset is providing materials and information on sustainable travel and local cycleways.

The South Dorset Tai Chi Group will be running through their health-building exercises, with a taster session for the public, and a display of skilful Tai Chi sword moves, demonstrating the links between the popular modern routines that encourage well-being & ancient martial arts.

Dorset Wildlife Trust will be attending with fun activities and information, promoting the Lorton Valley Nature Park which encompasses Lodmoor Country Park and the DWT's Lorton Meadows.

The Magna Carta Project artwork recently installed on the fence between St. John's School & the park has created a welcome additional attraction, and will feature in a quiz.

The country park businesses will be joining in the fun, and refreshments will be available at 5J's Café.

"This is a chance for us to showcase all the natural and man-made features the country park has to offer. The green gym equipment is very popular but requires constant maintenance, so we are keen to attract supporters to help us fund this, and to highlight that the wooden green gym is specifically for the under 12's.

"We are particularly pleased to be hosting the Tai Chi demonstration, as this could be the start of another popular keep fit activity in the park, particularly for those for whom cycling & running is not suitable.

"We'd like to encourage everyone to don their sporty gear and come to the park - There are racks of for bikes, and plenty of parking in the newly-refurbished Beach Car Park."

Invasion of the jellyfish

AS THE school summer holidays are about the begin experts say eight species of jellyfish have been recorded, washed up on the Dorset coast.

They include several 1-metre wide barrel jellyfish, pictured, found in recent weeks in Weymouth Harbour, the Nothe and in Portland Harbour.

The Marine Conservation Society say they have dozens of sightings of the

barrel jellyfish, but moon, compass and blue jellyfish have also been frequently found this year.

The society is advising members of the public not to touch any jellyfish they find but to report the sighting on their website www.mcsuk.org so that they can identify the species correctly.

Society experts believe that, as well as warmer weather, the increase

could be partially due to over-fishing with fewer predators to eat younger and smaller jellyfish.

WEYMOUTH and Portland Holzwickede Twinning Society held a lunch and reception for their guests from the German twin town at the Ocean Hotel and Spa, Southwell.

They were joined for the occasion by Weymouth and Portland Mayor Councillor Christine James and Portland Town Mayor Councillor

Rod Wild who are the society's respective president and vice-president.

Pictured are, from the left, Mayor Christine James and her grandson, Charlie, Holzwickede Deutsch-Britischer Club chairman Marie-Luise Wehlack, Town Mayor Rod Wild and Society vice-chairman Pamela Yallop.

Change of date for Portland's Jurassic Rocks music festival

PORTLAND'S biggest music festival, Jurassic Rocks, has been moved from July to August - with an extra night added to be able to showcase over 25 bands.

The move comes after poor ticket sales for the July dates. It will now be held on August 21st to 23rd at the same venue.

"All current tickets are still valid for the new dates and now give 3 days for the price of 2. Full refunds are available for anyone not able to make the new dates," said Glenn Chadwick, Festival organiser.

He says that the revised dates now offer three days with C Sharp Blues headlining Friday night,

RatRace headlining Saturday and the Leylines headlining the Sunday line up.

Tickets are available from www.jurassicrocks.co.uk. Full ticket refunds are available to anyone not able to make the revised scheduled dates by emailing the festival - info@jurassicrocks.co.uk with ticket number.

"Logistically we had to move back the event to accommodate the number of bands who wanted to play the festival. We thought long and hard about moving the dates but we want this festival to be the best it can be and with 25 bands playing over three days it will be," said Mr Chadwick.

Dorset veterans receive Russian medals on Armed Forces Day

By Trevor Bevins

trevorbevins@gmail.com

The event included a lunch for veterans in the Corn Exchange prior to the march through the town centre to the Borough Gardens where there were stalls and displays throughout the afternoon as well as music from the Wessex Military Band.

COMMITMENTS for serving forces resulted in a smaller parade through Dorchester for Armed Forces Day – but the event remained well supported.

This year's event saw long-awaited medals presented by Russian officials to eight Arctic Convoy Veterans living in the DT postcode.

A short speech was made before the presentation by Mr Tikhon Kirichenko, Third Secretary of the Embassy of the Russian Federation and the medals were presented by Commander Dmitry Sharapov, the Assistant to the Defence and Naval Attaché.

The medals were presented to James Jungius, George Osborne, John Prendergast, Wilfred Roper, James Turnbull, Elizabeth Toop (who received the medal on behalf of her father, Stanley Thurstans), Ivor Faulconer and Frank Foster. Two veterans who were unable to attend, Roy Arnold and Anthony Rideout, will receive them later in the year.

Said Roy Dean, Secretary to the Dorchester Armed Forces Day Committee:

"The event was supported by many veterans associations. There was a good turnout by the Regimental Association of the Devon and Dorset Regiment and the navy was well represented by the Dorset Division of the HMS Ganges Association, the Dorset Submariners Association, the Dorchester, Portland and Weymouth branches of the Royal Naval Association. The Royal British Legion, The Weymouth branch of the Merchant Navy Association, The National Service RAF Association and the RAF Police Association were also represented. The Dorchester Air Training Corps were on parade. There were 16 Standards on parade."

"The committee would like to thank, Dorchester Town Council, the Dorchester Police, Poppy Butcher (who organised a display of WWII vehicles) for their continued support, Canon Thomas Woodhouse for conducting the civic service and Allen Knott for carrying out the Master of Ceremonies duties."

This year also saw the The Stars and Stripes on display, carried by Lynwood Newman, ex-US Air Force, who now lives and works in Weymouth. He supports many veterans' events just as British veterans do.

George Osborne, from Dorchester, gave the Kohima Epitaph. The Exhortation ("They shall not grow old, as we that are left grow old...") was read by Ken Knight, the Chairman of the Armed Forces Day Committee.

Festival is out and loud!

By Harry Walton

SPECTATORS packed round five town centre stages when 40 music acts took part in the first Weymouth Lions Out Loud Festival.

The event, which included performance points outside Debenhams, The Clipper, Marks & Spencer, The Fantastic Sausage Factory and Sunflowers, was run over two days.

Weymouth and Portland Mayor Christine James, who officially started the festival on the main stage at Debenhams said: "Again Weymouth has pulled it off.

"It may not be Glastonbury but when we do something we do it well and there were plenty of people here to see some excellent acts. The event was a credit to the Lions."

Among a host of acts were the Kung Fu Chicken Fighters Band, Weymouth Concert Brass, the Dorset Wrecks Singers, WOW Youth Musical Theatre, Dorset For Singing and the Mill Street Jazz Band.

There was such a variety of music and song on show that many spectators toured all five stages to get the best of what was on offer.

Praise for the event came from Dennis Spurr of the Fantastic Sausage Factory who had one of the stages outside his shop.

He said: "It was nice to see an event which spread attractions all round town rather than just concentrating them in one place. Well done the organisers!"

Event spokesman Roger Hogbin said: "We were delighted that Out Loud proved so popular.

"There were hun-

dreds of spectators so see some quality acts, the weather was fine and you can't ask for more than that.

"All money from the event will go to Lions good causes and we will certainly be holding Out Loud again next year.

Solicitors donate £3,000 to refurbishment work at Julia's House

LAWYERS in Dorset have made their largest single donation to Julia's House children's hospice to help pay for major refurbishment works.

Legal eagles from Battens Solicitors presented £3,000 to hospice fundraiser Mark Allwood, from Dorchester, on behalf of the law firm's charitable trust.

The contribution will go towards the £40,000 refurbishment of the charity's Corfe Mullen hospice for children with life-threatening and life-limiting conditions in Dorset.

Mark said: "With only 6 per cent

of our income from the Government, the free care we provide is only possible through the generosity of supporters such as Battens Solicitors.

"We are very grateful for this latest donation, which is the largest so far in nearly 10 years of support from Battens.

"It means we are now over half way towards reaching our target for the refurbishment programme."

Julia's House cares for about 100 children and their families, with dedicated support available

for parents and siblings as well as the poorly child.

It needs to raise £4.6million this year to run its Dorset services. The refurbishment programme includes a purpose-built Mermaid Suite for end of life care, conservatory and music room, lounge, kitchen and nurse and care administrators' stations.

Battens has donated £4,285 to Julia's House since 2008 and takes part in the charity's Free Wills Service which allows people to leave a gift to the charity when having a will written free of charge through Battens.

Christine Butterfield and Natalie Mason – who are both solicitors in Battens' tax, wills, estates and trusts department - presented the money after the latest of their face-to-face appointments..

Natalie said: "Julia's House do such fantastic work and we are pleased to be able to support such a valuable local charity on an ongoing basis."

Christine added: "Our charitable trust exists to help such worthy causes and help them make a difference to so many lives in the community."

Battens set up the charitable trust in 1985 to support community initiatives, local charities and other causes.

All Battens offices in Weymouth, Dorchester, Sherborne, Yeovil and London are offering the free will writing service for Julia's House

BLUE RIBBON: Chickerell Mayor John Worth cuts a ribbon to open a new Battens office on the Granby Industrial Estate. From left at the front are John Dobson of Battens, Coun Worth, Mayoress Pam Worth and Cherise Luke-Bennett of Battens

BATTENS Solicitors also celebrated this week the opening of an additional office in Weymouth as part of continued expansion of its services.

The solicitors invited Chickerell Mayor John Worth to perform the honours in a ribbon-cutting ceremony at Oxford Court on the Granby Industrial Estate.

The law firm threw a drinks party and barbecue for staff and

guests from local businesses and the community to celebrate the official opening.

Coun Worth, who was accompanied by Mayoress Pam Worth, said: "It is really good to see Battens expanding and I am glad to welcome them to Chickerell."

"The Granby Industrial Estate is the jewel in the crown of Chickerell and West Dorset, and is still growing and creating jobs."

"Having Battens here with free parking means they are close at hand to provide a valuable service for businesses as well as people living and working in the area."

Battens staff on hand with a warm welcome included Jon Dobson and Cherise Luke-Bennett, who will be heading up the office, as well as directors Ray Edwards and Peter Livingstone.

Feet First

NOW offering Toenail Reconstruction: A professional, innovative technique for toenails affected by trauma, disease, brittle, fungal and discoloured toenails. Only available through a trained Foot Care Practitioner. KERYflex™ is new to the UK. Marion is one of only three practitioners in the South West, trained in this technique.

In as little as 15 minutes, Marion uses KERYflex™ resin to create a natural-looking nail. The patented resin models and restores the toenail. It creates a smooth, non-porous surface that is both flexible and durable. It also adds protection, encouraging better growth of the existing nail and inhibits further fungal growth. The new nail is unaffected by acetone, nail polishes or detergents.

Also available Ingrown Toenail correction: A corrector is applied to the existing toenail to alleviate pain and discomfort from ingrown toenails. This stays in place to correct the nail as it grows. It has a clear surface and looks perfectly natural.

Marion trained as a Registered Nurse and is a fully qualified Foot Health Practitioner. She will visit you in your own home to carry out a complete foot care treatment.

Healthy and Happy or unhappy and unhealthy?

FEELING unhealthy makes it so much harder to stay happy. But the opposite is just as true. Feeling bad for a long time can change body chemistry and make it much harder to stay healthy. Which makes it harder to enjoy life. Which makes it harder to be ok... and so it goes on. It can seem like a vicious circle with no way out.

But there is a way to break free.

Susan Gale, of the Beltain Centre in Dorchester, can use hypnotherapy and her years of experience to help you. She has a very down to earth approach and always tailors the therapy to the person. You just need to want to change and then Susan can help you get out of the rut and change for the better.

Hypnotherapy can help with so many problems. To clear tensions and anxieties. To help you deal with things differently. To restore confidence and well-being. And much much more.

Susan has been working as a hypnotherapist since 1989 and has helped many people. Take a look at her website www.beltain.co.uk or phone 01305 267069 to see how she could help you.

Alexander Technique Dorchester

The Alexander Technique –the thoughtful path to balance and poise

"Stop doing the wrong thing, and the right thing will do itself"
F M Alexander

Many of us are unwittingly *'doing the wrong thing'* - everyday things like tensing when the phone rings, rushing to pick up the children from school, slumping over a computer or worrying about deadlines can lead to physical and mental strain. Over the years, this accumulates and can cause common aches and pains, injury or illness, that may seem to come from nowhere.

The Alexander Technique teaches us to allow *'the right thing to do itself'* by learning to stop and think, release tightness and improve balance and posture.

With gentle hands an Alexander teacher can bring to your attention any unhelpful habits, and guide you through more efficient ways of standing, walking and sitting.

Anyone can learn this helpful skill - all you need is an open mind, and an interest in taking some responsibility for your own well being.

Rebecca Howard, MSTAT, offers lessons in Dorchester and Piddletrenthide.

Weymouth RNLI inshore lifeboat - saving lives for 20 years

THE RNLI Inshore Lifeboat has been stationed at Weymouth for 20 years.

When the Royal Navy left Portland Dockyard and along with it the police launch which was also used to carry out rescues within Portland Harbour, the RNLI felt that the gap in rescue cover could result in the loss of life. They decided that the solution to this problem was to introduce an inshore lifeboat to back up the

Weymouth all-weather lifeboat and act as a quick response lifeboat.

So a recruitment campaign was carried out in around Weymouth Harbour and a crew of 10 volunteers was recruited and trained to crew the new lifeboat.

The first inshore lifeboat was a relief Atlantic 21 called Elizabeth Bestwick and was first on call at the lifeboat station from the 15th June 1995. There followed over the next 3 years a series of relief

inshore Atlantic 21's before the introduction in 1998 of Weymouth's very own Inshore lifeboat, a bigger and faster Atlantic 75 called "Phyl Clare 3".

Phyl Clare 3 is still on station but in line with RNLI policy of replacing lifeboats after 20 years is due to be replaced shortly after years of sterling service.

The first shout for the new inshore lifeboat was on the 9th July 1995 to a diver reported

to be in danger of drowning, this turned out to be a false alarm but a week later on the 16th July the lifeboat was called out to a sailboard in trouble in adverse weather conditions. This was recorded as a life saved and was the first of many over the next 20 years. To date, with an average of 50 call outs (or "shouts" as they are referred to in the RNLI) the inshore lifeboat is credited by the RNLI with the saving of 81

lives, assisting a further 1,158, with a total value of all the vessels helped as being estimated at over £5,555,715.

The original inshore lifeboat crew were Pete Humprey, Rob Yates, Lucinda Williams, Neil Roberts, Jason Purvey, Richard Wellborne, Ed Gillver, Dan Stuttle, Jules Hutchins and Ken Francis. Of these Dan Stuttle and Jules Hutchins are still serving on the lifeboat crew.

SAVING LIVES FOR 20 YEARS: Launching Weymouth lifeboat

Lifeboat Week to begin with church service

THIS year's annual service and blessing of the lifeboats at the start of Weymouth Lifeboat Week will

CUSTOMERS at a popular Weymouth chippy have helped the town's lifeboat with donations.

John and Karen Pearce, from Alf's fish and chip shop on Lynch Road, donated 50p for every portion of fish and chips sold last Sunday, July 12th, to the RNLI locally.

A collection box near the till will increase the total until August 12th.

be held on Sunday, July 26th, at 7.30pm.

Following the success of last year, the service will once again be held at the ferry steps near the Pavilion.

As usual the service will be conducted by the clergy team from Holy Trinity Church and the music will be provided by the Salvation Army Band.

People are invited to come along and support the volunteer lifeboat crews as they get lifeboat week underway. The following six days are packed with family orientated community events.

On Monday, July 27th starting at

6:15pm there will be a family event at the Nothe Gardens. The main attraction is the lifeboat display alongside the coastguard rescue teams and the coastguard rescue helicopter.

The gardens provide a fantastic view to watch all the action with live commentary.

This community event offers fun, with live music from the Speedway Snails, the lifeboat shop, and a life raft and static display, where visitors can meet and greet crew. There will be fete style stalls and a hog roast, and a bar.

Urging people to respect the water

THE RNLI has revealed that 38 people have lost their lives in the waters off the Dorset coast over the past five years.

The organisation, with its national headquarters in Poole, has launched its Respect the Water drowning prevention campaign at the start of the busy summer season.

In Dorset, five lives were lost last year and six were lost in 2013.

The RNLI is urging people to be extra cautious if they visit the coast during the summer.

Slips and falls were the cause of the largest percentage of deaths at 23 per cent, with swimming and general leisure use accounting for 22 per cent, diving at 12 per cent and sailing at 8 per cent.

Men are also far more prone to getting into danger at sea, with 67 per cent of the deaths regionally being men.

James Millidge, RNLI coastal safety manager for the south west, said: "Most people heading for a

stroll or run along the coastline probably wouldn't consider a drowning prevention campaign like this relevant to them as they have no plans at all to enter the water.

"We're warning people that if they're going near the water, whatever their activity, they could be at risk and they need to take care. Unexpected dangers like slippery rocks, sudden waves or unstable ground can catch anyone out.

"The water might look inviting, but it can be dangerously unpredictable, with hazards which can be fatal if not respected. Cold water is a major risk for anyone who ends up in the water – intentionally or otherwise."

Mr Millidge added: "We want people to enjoy the water but to make sure they respect it. On average 33 lives are lost around the south west coast each year but many of these losses could be avoided if people acknowledge the dangers and follow some basic safety advice."

Teddy bear's picnic fun for pre-schoolers

RESIDENTS at Maiden Castle House care home in Dorchester invited pupils from nearby The Grove Pre-School for a Teddy Bears' Picnic in the home's garden.

During the morning, the children performed songs and nursery rhymes and activities co-ordinator, Jenny Webster, read out some teddy-themed poems to the group.

One of the residents brought down her giant teddy, which proved very popular with the children. The home's chef and kitchen team prepared a special picnic, complete with bear-shaped crisps and cakes.

Clare Baker, home manager at Care South's Maiden Castle House, said: "We enjoy a great relationship with The Grove Pre-School here at Maiden Castle House and residents always really enjoy their visits. We work hard to ensure our residents continue to stay involved in the

local community and events like this are a lovely way to do that. We hope the children will come back and see us again very soon."

■ AWARD WINNING: L-R: Section Lead Laurence Stone, Deputy Principal Christine Robertson, Rupert Rees – NFU, Winner Alistair Bye, Dave Stickland – C&O Tractors and Matthew Holland C&O Tractors, Tutors Matt Sparshott

Alistair is student of the year

The NFU Agricultural Student of the Year Competition at Kingston Maurward College has been won by 18-year-old Alistair Bye.

The Award was initiated in 2011 by the NFU in conjunction with C&O Tractors Ltd and New Holland, who wanted to support something which would aid young farmers in their future careers.

The fifteen participating students, all studying the second year Level 3 Extended National Diploma in Agriculture, competed against one another in a day of tasks. These included livestock, machinery and estate skills tasks, a 50-question theory test, followed by an interview with a panel of judges including the NFU's Ru-

pert Rees and C&O Tractors' Matthew Holland.

Winner Alistair said "It was a complete surprise to win – I wasn't expecting it at all! I've really enjoyed my two years at Kingston Maurward – it's the best thing I've ever done."

Alistair, who plans to continue his studies at the Royal Agricultural University in September, was presented with the bespoke trophy made for the competition in 2011 by Kingston Maurward resident blacksmith Simon Grant Jones. Alistair's main prize will be an all-expenses paid trip to an agricultural expo within the next year, to expand his knowledge of the agricultural industry internationally.

C&O Tractors Sales Manager, Matthew Holland, said: "It's always a pleasure to judge this competition – it's obvious the students are passionate about Agriculture, and thoroughly enjoy what they do."

"This competition is important to C&O and New Holland as sponsors because these young farmers of today will become the future farmers of tomorrow, responsible for the success of this industry and the people within it."

Kingston Maurward Deputy Principal, Christine Robertson, said: "We are very proud of the students – the knowledge, skills and effort demonstrated throughout the competition was outstanding."

Thrills and spills to kick off summer holidays

THE summer holidays will get underway in Lyme Regis this weekend with one of the town's favourite and most spectacular events - Lifeboat Week.

The Lyme Regis & Charmouth RNLI Guild have put together a non-stop programme of events to keep the whole family entertained, while also raising awareness and funds for the vital work of this life-saving charity.

Highlights of the week are again set to be displays from the Red Arrows and RAF Falcons parachute display team (see page 21) but there is plenty more throughout the week. Children can take part in a number of beach events and competitions, make a kite and polish their very own fossil.

For the first time this year, there will be a kit car display and members of the group are looking forward to sharing their enthusiasm with visitors on Lifeboat Week's opening day, July 18th, from 10am on Marine Parade. Other events over the opening weekend will include a welcoming display from the town's "Spirit of Loch Fyne" lifeboat at 11am on Saturday in the bay and the popular bathtub race - a favourite with residents - at 7.30pm on Saturday evening.

Challenge yourself with the annual fun run,

starting on Marine Parade at 5pm on Sunday and watch the lifeboat crew and coastguards go head-to-head with another favourite event, the tug o'war across the harbour mouth at 7.30pm. After all that action you can chill out watching the illuminated boats light up the bay at 9.30pm.

You can also try your hand at paddle boarding during the week or enter the swimming challenge, and you can always refresh yourself at the popular yard of ale competition or with a hot dog served by the lifeboat crew themselves.

Throughout the week there will be performances from musical groups, including Lyme's own Shanty Singers and, before the firework display on Friday 24th, there will be a samba band to get everyone dancing! And don't forget to buy a duck for the duck race!

Volunteers and members of the crew will be at the lifeboat station on the Cobb throughout the week, so pop along to find out more about the RNLI and to get a closer look at the town's "Spirit of Loch Fyne" lifeboat. The RNLI gift shop will also be open throughout the week, raising money to help save lives at sea.

For full details of all the week's events, don't forget to buy your Lifeboat Week programme, available from various local outlets and the RNLI shop for just £1.50.

Spectacular sights you don't want to miss!

THE spectacular displays of the RAF's crack aerobatic team, the Red Arrows, and the Falcons parachute display team are by far the most popular events during Lifeboat Week and attract crowds of thousands to Lyme Regis.

The Red Arrows will be flying into Lyme Bay at 5pm sharp on Monday, July 20th and the Falcons dropping onto the beach at 5pm on Friday, July 24th with a chance to meet the team after they have landed right before your eyes!

If you're travelling into Lyme Regis for these thrilling displays, ensure you don't miss out but leaving plenty

of time for the journey and to find parking. The park and rides in Sidmouth Road and Charmouth Road, as well as the park and walk on Charmouth Road, will be offering extended hours and Lifeboat Week organisers advise that those driving into town use these facilities where possible. Additional sign-posted car parks will be set up on the outskirts of the town.

Alternatively, the X53 and X31 buses pass through the town but if you are catching public transport, again leave plenty of time as there can be delays when approaching arrival times of the RAF teams, in

particular the Red Arrows.

Organisers also advise arranging a car share scheme with others travelling into town or enjoying the Red Arrows display from the outskirts of town, from vantage points such as Spittles Fields (above the football ground in Charmouth Road), Ware Cliffs on the western side of town or Stonebarrow Hill in Charmouth.

The lifeboat crew will also be clearing a large space on the main sandy beach from 4pm on Friday 24th to ensure enough space for the parachutists to land. Please co-operate with them to ensure everyone can enjoy this event safely.

Serving Lyme Regis for over 150 years

June 10th 2010 was a very special date in the history of the RNLI in Lyme Regis.

After exhaustive research it was established that on an aggregated basis, that day in June marked 150 years of a lifeboat service in the town.

The Royal National Institution for the Preservation of Life from Shipwreck, later to become the RNLI, was founded in 1824 and the earliest record of a lifeboat based in Lyme Regis is 1826.

It was the events of Boxing Day 1852 that highlighted the need for a purpose-built lifeboat in Lyme Regis. Four men drowned as they tried to save 44 people aboard the barque Heroine.

Ironically, everyone aboard Heroine reached shore safely.

The following years saw two un-named lifeboats stationed in Lyme Regis. In 1866 the first named lifeboat, the 33 foot William Woodcock, arrived followed by the Susan Ashley.

The Thomas Masterman Hardy, in 1915, was the fifth and last lifeboat powered only by sails and oars to be stationed in Lyme Regis.

The lifeboat station in Lyme Regis was closed in 1932 when the RNLI decided that motorised lifeboats at Exmouth and Weymouth could cover Lyme Bay.

The RAF moved to Lyme Regis with fast launches from 1937 until its marine unit closed in 1964. Three years later the RNLI station re-opened.

Today's lifeboat is a far cry from the pulling/sailing variety. It is a B class Atlantic 85 inshore lifeboat capable of a top speed of 35 knots.

She's Spirit of Loch Fyne, named after the fish restaurant chain which raised much of the cost of £180,000 to build the boat on the Isle of Wight.

The lifeboat is fitted with the latest technology including radar, direction finding equipment and twin 115hp engines.

She began service on March 3rd 2012, replacing the smaller Atlantic 75 Pearl of Dorset which had served the town since 1997.

Carnival has families coming back year on year

LYME Regis Regatta and Carnival Week is held deeply in the hearts of many residents and visitors, bringing families back to the town year on year.

It is a week to re-live your childhood and to let your imagination run wild, and it is with that ethos in mind that the small organising committee have put together this year's jam-packed programme with several new events on offer.

Traditional and some of the more imaginative sea-side fun and games will be held throughout the week, including sand sports, treasure hunts, egg catching, pavement art and lots more.

To test you to your limits, this year's new events will also include the ice block challenge, Lego chal-

lenge, Jenga challenge and egg parachute challenge.

Don't miss the Jurassic Jelly Run along Marine Parade August 2nd and, returning to the programme after a one-year break, the popular wheeled derby - always a huge hit with residents and visitors - will be held on the evening of August 3rd from the new starting point of Gun Cliff Walk.

Highlights of the week are set to be a South African Drum Tribe - another new addition to the programme - above the Marine Parade shelters on Wednesday night with drums available for £2 so everyone can join in.

The spectacular Walk of Light will be led through Langmoor Gardens to the beach on the evening on August 2nd, fireworks will be held on August 6th and the grand carnival procession will top off the week on August 8th.

Other events throughout the week will include cream teas, live music, sailing regattas, boat trips, a dog show and displays from Lyme Regis Majorettes and local gymnastics and tae-kwon-do clubs.

All events aim to raise funds to be split between local good causes, with the organising committee having given away more than £80,000 in the past nine years.

For full details of all events, don't forget to buy your carnival week programme available at local outlets and from the carnival kiosk on Marine Parade during the week for just £1.

Lyme's gone quackers for carnival!

DUCKS will be taking over Lyme Regis for this year's Regatta and Carnival Committee.

Carnival's new logo Cobby (below) has called in all his friends to make sure everyone has a quacking time at this year's events!

More than 100 local businesses will be displaying decorated, wooden ducks outside their premises throughout the week and all are invited to vote for their favourite.

The winning duck will be crowned "Carnival Queen" and will take part in the grand carnival procession on August

8th.

While looking at the ducks around the town, why not take the opportunity to also join in the annual Spot the Window competition?

You can also play our new game Quack Attack on Marine Parade - try and knock down out ducks to win a prize - and our new and improved Ducks in Training game.

And don't miss out on the grand duck race on Sunday 9th. Everyone who buys a duck will become a member of carnival's duck club and will be presented with a sticker.

If you buy five tickets you will be entered into a draw to win a family holiday for five at Fernhill Hotel, between Lyme Regis and Charmouth, plus there's cash prizes for the quickest ducks down the River Lim!

WIN A COLGATE ELECTRIC TOOTHBRUSH AND GOODIES

Simply complete an entry form available from Lyme Bay Dentistry or find a member of our team on **Monday at Lifeboat Week**

Amongst the usual mix of activity days Osprey is now offering an indoor football academy on Tuesdays and Thursdays which when added to the half day multi activity sessions on the same day give 2 extra full days from 9am - 4pm which have recently been added to the programme earlier in the year.

Many children love using the inflatable obstacle course during private pool parties but have the rare chance to attend the junior sessions for the over 9's which take place on

Tuesdays and Thursdays from 2pm - 4pm for only £3 per child for a full 2 hours.

Now that the Legacy Cafe is open parents have the chance to add a lunch for only £2.50 to the day so another worry is taken away from them.

The Tunnel Target Sports Centre

5

THIS year The Tunnel Target Sports Centre celebrates it's fifth year of business. The indoor rifle range complex still boasts some of the best range facilities open to the public in the UK.

The Tunnel offers shooting experiences to the general public, as well as members of their home office approved club alike. Whether you are a total novice or an experienced shot, there is something on offer for all ages and abilities.

The complex of indoor ranges comprises 25m and 35m small-bore ranges, as well as a 100m full-bore range, along with a number of newly finished classrooms.

All staff members at The Tunnel are fully qualified NSRA and NRA range officers, which means you can be sure that a consistent standard of excellence is maintained throughout the Centre. Along with the quality of staffing, The Tunnel prides itself on being affiliated to The National Rifle Association at Bisley, and aims to provide an all-round outstanding service for air-gun, small-bore and full-bore shooting.

The Tunnel offers training facilities for many different applications, from those who want to demonstrate or improve their skills and knowledge for application of their Firearms Certificate with 'Competent shot', or Quality Assured Maritime

Firearm Competency Courses with Maritime Firearms Competency Ltd. As well as these, The Tunnel plays host to The South West Rifle and Pistol squad (SWRPS). SWRPS is a regional talent training academy that has a proven track record of success with many of their current and former athletes, leading to the fact that The Tunnel has recently had the training for the elite Team GB pistol shooting squad reinstated. Members of this squad have been as successful as competing in Olympic Games and World Championships.

For those who may be accompanying shooters, but who do not themselves wish to shoot, The Tunnel has observation rooms from which they can watch, while enjoying a tea or coffee from the Centre's on site cafe.

The Tunnel has managed to add something new every year, most recently the opening of the 100m indoor full-bore range. This year however sees The Tunnel begin offering archery taster sessions for beginners.

Hands on with Max's friendly fish

IT may be more humble than the multi-million pound attractions you find in many resorts, but the charm and hands-on experience of Lyme Regis Marine Aquarium has won over visitors time and time again.

Situated on Lyme's historic Cobb wall, the Marine Aquarium was first opened in 1958 by Lyme businessman Oliver Farnworth, who ran it until 1982 when local fisherman and historian Ken Gollop took over the popular attraction. His nephew Max took on the family business in 2001 and has since created a huge online following.

Most recently, the aquarium has been recognised in the TripAdvisor "Hall of Fame", which honours establishments that have received the TripAdvisor Certificate of Excellence of five consecutive years thanks to continuous excellent reviews on the travel website. Winners include hotels, restaurants and attractions located all over the world that have continually delivered a superior customer experience.

"Being awarded the TripAdvisor Certificate of Excellence five years in a row and inducted into the 'Hall of Fame' is a true source of pride for the entire team at Lyme Regis Marine Aquarium and we'd like to thank all of our past visitors who took the time to complete a review on TripAdvisor," said Max.

Traveller's Choice Awards, with only The Deep in Kingston-Upon-Hull and the National Marine Aquarium in Plymouth ranking higher – both huge, multi-million pound establishments compared to Lyme's more modest alternative, which shows off the marine life of the Jurassic Coast.

Max believes the secret to the aquarium's success is the interactive element of a visit, with the star attractions including the opportunity to hold a starfish or hand-feed Max's trained shoal of grey mullet.

"We constantly strive to offer a great experience for all our visitors," he said.

"We differentiate ourselves from our larger aquarium counterparts by offering an interactive and tactile dimension to a visit. Not only do visitors get to see the marine life which can be found in local waters, they have the opportunity to hold a starfish in the palm of their hand and have their picture taken while being up close with a giant lobster or crab.

"Our mullet feeding experience is truly unique where visitors lower their clenched hand containing food into a large tank of grey mullet, then marvel as these wonderfully tame creatures gently suck and 'kiss' as they take food directly from the hand.

"We also go that extra mile to make all visitors feel welcome and provide a personal service with either myself or one of my knowledgeable staff being available to answer any questions and give further insight into the creatures on display."

As well as exploring the local marine life, visitors to the aquar-

ium will learn a little about Lyme's rich history.

The building itself dates back to 1723 and, before this, a house named Rose Cottage stood in its place from 1701 until it was destroyed in a storm.

As Lyme was a busy port at the time, attracting trade from all over the world, the building was originally used as a warehouse and store, and later went on to be an isolation hospital to prevent those arriving on ships from spreading diseases such as cholera, typhus and the plague around the town.

The attraction also celebrates the town's more recent history, with a display of photographs taken when Lyme was transformed for the filming of "The French Lieutenant's Woman" in the 1980s.

ELECTROSWING WITH MYDY RABYCAD AND THE SUMMER FROLIC FRENZY

AN ASTONISHING new electroswing band from Prague will bring their impressive combination of classic swing tunes, dance beats and electronic sounds to the Summer Frolic Frenzy at Bridport Arts Centre on Saturday, July 25th.

Their show-stopping talent and musical flair are making Mydy Rabycad seem fit to burst out of the Czech and Slovakian music scene on an international level. The lead red-haired diva Zofie Dařbujánová reigns with eccentricity and originality as she samples old swing hits.

The live swing music will segue into Frolic Disco summer madness, an age defying, self-conscious free - danceathon for people who like their grooves fast and varied!

Frolic's DJ Crumpet Claire said "People deserve some fun in their lives. I'm just so proud that the people of Bridport enjoy Frolic with such un self-conscious vigour!"

Mydy Rabycad play at Bridport Arts Centre on Saturday, July 25th, followed by the Summer Frolic Frenzy, with the evening's entertainment running for 8pm til late!

JOEY'S THE NAME ON EVERYONE'S LIPS

JOEY THE LIPS are everyone's favourite party band, and the Marine Theatre excitedly welcomes them onstage on Saturday, July 18th.

After twenty years on the road, and with over 1000 gigs clocked up in UK and Europe, this band are safe pairs of drum-sticks, vocals, horns and guitars. The Comedy Network continues to grow

THE ELECTRIC PALACE'S Comedy Network nights continue, as three comedians, fresh from the Edinburgh Fringe, will perform at the next event on Friday, July 31st.

As seen on *Russell Howard's Good News*, Mark Cooper-Jones is an exciting emerging stand-up

comedian, a Chortle Best Newcomer Nominee, as well as one third of the highly acclaimed sketch group WitTank.

Alongside his fellow WitTank members, Mark was one of the stars of BBC3's *Live at the Electric*, contributing as both a writer and performer.

They have enjoyed six years of sell-out audiences at the Edinburgh Fringe as well as numerous gigs and comedy festivals in the UK and Ireland. They have received a Best Show Nomination at the Leicester Comedy Festival and appeared on 50 Funniest Moments of 2014 (Channel 4), Three At The Fringe (BBC3) and BBC Radio.

Mark Smith has rapidly established himself as one of the most interesting and exciting new comics on the circuit. Since reaching the final of *So You Think You're Funny* in 2009, Mark has gigged all over the UK, is a regular MC and has broken into television to appear on *Russell Howard's Good News* and to present for MTV2. In 2012 he appeared at the Edinburgh Festival as part of the long running and prestigious package show *The Comedy Zone*. 2013 saw Mark take his debut solo show, *The Most*

Astonishing Name in Comedy, to the Pleasance Courtyard at the same festival.

When Mark is not gigging around the country, he also performs warm-up gigs for shows such as *Have I Got News For You* (BBC1) and *Room 101* (BBC1) as well as writing for TV (*8 Out Of 10 Cats*) and radio (*The News Quiz*).

Mark is also one half of double act Dregs alongside Max Dickens. They present a podcast available on iTunes and SoundCloud and have also featured on Channel 4 website *This Just In*. Further to this the pair have written commercial adverts, most noticeably for Tesco and Tango.

Mark is currently writing a six part comedy show for BBC3 as well as developing a new panel show.

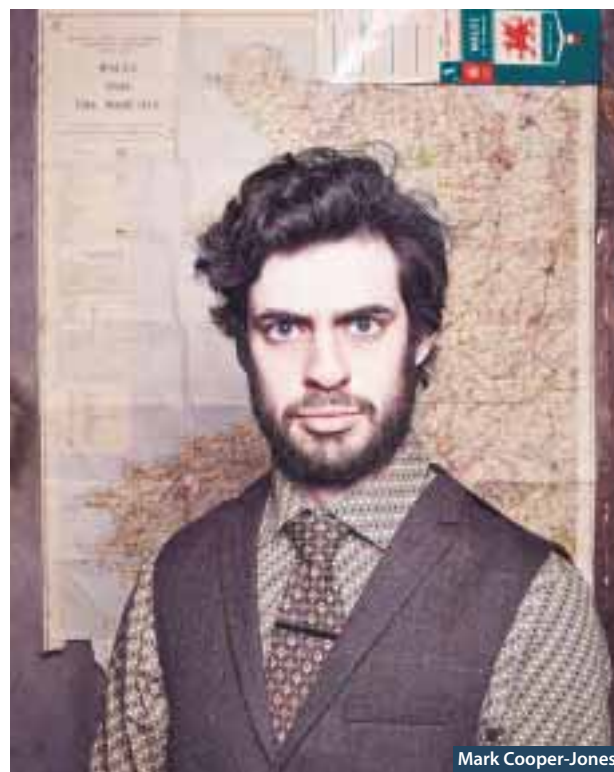

Manchester comedian and former regular contributor to XFM's breakfast show, Hayley Ellis has gone from strength to strength since she began performing in April 2009.

A regular MC at gigs around the country, Hayley's natural warmth and girl-next-door charm make her impossible to dislike, something which has become evident in her success in new act competitions throughout the UK.

This summer, Hayley performed at the Edinburgh Festival as part of *The Comedy Zone*, the Fringe's longest running and most prestigious stand-up showcase. Following great success at the festival, Hayley has also won Hull Comedian of the Year. Hayley will be taking her first solo show to Edinburgh in 2014.

Tickets cost £10 (plus 50p booking fee) in advance, or £12 on door. Doors open at 7.15pm and the event starts at 8.15pm.

Tickets are available through the Electric Palace Box Office, Bridport TIC on 01308 424901 or online via SeeTickets.com.

The Spooky Men's Chorale

ENNOBLED by improbable facial hair and dignified with cavernous vocal chords, The Spooky Men's Chorale have been gleefully smashing up and reassembling the world of men's singing since 2001, when they emerged from the Blue Mountains in Australia. They employ a devastating combination of immaculate musical sensibilities, hair-raising deep harmonies and extreme silliness to explore the paradoxes of latter day masculinity.

The repertoire, which began with a simple combination of Georgian table songs, immaculate ballads and vaudevillian nonsense, has expanded to include sly and witty commentary on their own favourite body parts, a surfing anthem, and a mock Sufi ode to the Bee Gees - all performed with passion and a twinkle in the eye.

Their last UK tour saw a large number of sell-out concerts at major venues and a whole raft of ecstatic festival audience reactions. The Spookies will now continue their long, slow global conquest with a sixth visit to these isles, and a step-up in their supernova trajectory with some major festival dates including Camp Bestival.

Having nearly sold out all tickets already, Dorchester Arts are delighted to welcome The Spooky Men's Chorale to Dorset's county town on Friday, August 7th.

The Spooky Men's Chorale will be performing at Dorchester Corn Exchange on Friday, August 7th. Tickets are available from the Box office by calling 01305 266926 or online at www.dorchesterarts.org.uk

The Merchant of Venice

IN THE MELTING POT of Venice, trade is God. With its ships plying the globe, the city opens its arms to all, as long as they come prepared to do business and there is profit to be made.

With the gold flowing all is well, but when a contract between Bassanio and Shylock is broken, simmering racial tensions boil over. A wronged father, and despised outsider, Shylock looks to exact the ultimate price for a deal sealed in blood.

RSC Live brings *The Merchant of Venice* to cinemas on Wednesday 22 July and it's showing at Bridport Electric Palace at 7pm. Tickets cost £10.50 in advance and £12 on the door.

The Evening Standard says the play shows "the RSC at the very top of its game".

Polly Findlay (Arden of Faversham 2014) directs Shakespeare's uncompromising play with Makram J. Khoury, one of the most celebrated actors in Israel, in his RSC debut as Shylock. A Summer Sunday with Instant Sunshine

DORCHESTER ARTS invites you to their latest fundraising event - A Summer Sunday with Instant Sunshine at Minette and Alec Walters' residence Whitcombe Manor in Dorchester.

Instant Sunshine is a unique musical comedy team that has been entertaining audiences for fifty years with its particular blend of humorous, witty songs and hilarious routines. They take a sideways look at everyday life in a beguiling and funny style all of their own.

Instant Sunshine has played festivals, theatres and draughty marquees in the UK and around the globe including New Zealand, Bermuda and Hong Kong. In New York they played Greenwich Village to the delight of the New York Times reviewer who encouraged bewildered locals to fill the theatre. Instant Sunshine has recorded over 100 songs and they performed on BBC Radio 4's Stop the Week with Robert Robinson for 18 years. Instant Sunshine are David Barlow, Alan Maryon Davis and Peter Christie, who have written and performed many signature tunes for radio and television, including One is Fun, Money Box and Constant Hot Water.

Instant Sunshine will be at the Edinburgh Fringe again this year celebrating a special anniversary of being 50 years together. Minette Walters and Dorchester Arts are delighted that they have chosen Whitcombe Manor as their warm-up venue.

Minette Walters, who is a keen advocate of fundraising events for the arts locally continues, 'When Dorchester Arts asked if they could bring Instant Sunshine to Whitcombe, I thought what a treat! They never fail to make me laugh. I know it will be a wonderfully entertaining event.'

Dorchester Arts started as a small com-

munity arts group and over the past three decades has grown to become the principal provider of arts performances and arts festivals in Dorchester, cherished by the community in the county town and the surrounding area. Over 7,000 tickets are sold every year, 4,000 people a year involved in classes, activities and workshops, and in 2014 more than 4,000 attended events at their biennial Festival. They are also home to the Dorchester Youth Theatre, Pop Club and Connect that hold weekly drama workshops for adults of all abilities.

Having recently moved to their new home at the Corn Exchange, Dorchester Arts is keen to continue its fundraising goals to help maintain and improve its arts offer and facilities for everyone to enjoy.

Karen Malim, Fundraising Officer for Dorchester Arts says, "We are thrilled that the musical comedy team Instant Sunshine will be entertaining us with their iconic humour. The money raised will help us make some small changes to the Corn Exchange, which will greatly enhance the experience for our artists, audiences and participants. If you are unable to make this event, consider joining us on 11 September for our beer and food pairing evening. Hosted by Mark Woodhouse of Blandford Brewers Hall and Woodhouse, you'll learn everything you need to know about matching food with beer but were afraid to ask!"

Tickets to see Instant Sunshine are £20 and include finger buffet and a glass of bubbly. There is a cash bar and a raffle of exciting

prizes will held during the afternoon.

A portion of the proceeds made on the day will be donated to The Fortuneswell Cancer Trust.

This event has been made possible with the kind support of British Solar Renewables and Humphries Kirk Solicitors and Arbitrators. With special thanks to our generous hosts Mr and Mrs Alec Walters, the Dorchester Arts Fundraising Group and the Board of Trustees of Dorchester Arts.

A Summer Sunday with Instant Sunshine - Sunday, August 2nd from 12 noon, at Whitcombe Manor, Dorchester DT2 8NY. To book tickets call the Box office on 01305 266 926, or visit www.dorchesterarts.org.uk

Ragtime Revisited

BRIDPORT ARTS CENTRE is brining one of the UK's finest jazz pianists, Martin Litton to Bridport for an evening of Ragtime music on Friday, July 24th at 7.30pm.

Ragtime began as dance music in the red light districts of African-American communities in St Louis from 1895, before being written and developed into it's close relative New Orleans Jazz.

It's most popular composer, Scott Joplin composed the most famous piece, Maple Leaf Rag. The Enter-tainer followed in 1901 which later enjoyed a huge re-vival in the 1970s classic movie, The Sting, bringing Ragtime to a new audience.

Martin has played with Bob Wilbur, Scott Hamilton,

George Masso, Peanuts Hucko and recorded with Wild Bill Davison, Yank Lawson and Marty Grosz. He appears regularly with Swedish Jazz Kings and on Radio 3's Jazz Library.

Martin will explore the development of the genre and present his own exciting new interpretation of Ragtime.

Martin will also be hosting a jazz masterclass at The Bull Hotel on 24th to help raise funds for the Bridport Literary and Scientific Institute restoration project.

Ragtime Revisited with Martin Litton takes place on Friday, July 24th, 7.30pm. Tickets are £12, and £10 concession from www.bridport-arts.com or 01308 424204.

The Hag of the Land

IN THE dark forest beside the pool, on the wild edges of the moor, where the waves crash upon the shore, she will find you: a woman so old, so harsh, so darkly powerful that you fear to look at her. She asks you to let her in, to shelter her, to hold her close, to kiss her, to wed her.....what will you do when you meet the Hag of the Land?

Come and find out at the Story Café at Bridport Arts Centre on Friday, July 24th. Storytellers Lisa Schneidau, Ronnie Conboy and Sue Charman from the South Devon Wood Sisters – with musician Laura Salmon – have spent many years working with wild myth and music in the belief that stories can change our lives. They bring us an evening of ancient and modern stories, woven with ballads and snatches of songs. Doors open at 7pm and the story-

telling begins at 7.30pm. The evening is suitable for adults and older children. Booking in advance is advisable. Tickets are £7, £6 for

members, and £5 concessions available fby calling 01308 424204 and via the website at www.bridport-arts.com

Get creative with The Lyric Theatre's summer workshops

THE LYRIC Theatre in Bridport has a trio of workshops this summer to cater for all ages and creative appetites!

Holly Miller, resident puppet and prop maker at The Lyric, will once again be running these fun workshops, open to ages 8 upwards (grown-ups welcome too!), upstairs in the theatre's creative studio. Holly has a head full of creative ideas and inspiration, and is well experienced in running creative workshops for children and adults at The Lyric (including their regular Puppet Club) as well as around the region.

On Tuesday, July 28th try your hand at creating a Scene In A Box, using fabrics, paints and recycled materials. This proved a popular workshop last year, with scenes such as football sta-

diums, fairy woodlands and solar systems being created - all within a cardboard box!

Next up is Rod Puppets on Thursday, July 30th - using this simple but effective method of puppet-making create a puppet of your friend, a family member or a character entirely from your imagination.

Cardboard Portraits is the third of the three workshops, on Tuesday, August 11th. Make your own self-portrait using creative cardboard techniques, paints and recycled materials.

All workshops run from 10am to 2pm, cost £20 and are open to ages 8 and over. Limited places are available so advance booking is essential, from admin@the-lyric.com or 01308 423951.

Renault unveils its new D-segment saloon – Talisman

▲ Renault Talisman

ALL these innovations combine to make the Talisman an executive saloon that will appeal not only thanks to its styling but also through a pleasurable experience for both drivers and passengers alike.

The Talisman is built to the very highest quality standards and meticulous attention has been paid to every detail, including, notably, the depth and lustre of its paint.

Low running costs, plus low fuel consumption and CO2 emissions also figure prominently amongst the Talisman's core strengths.

The Renault Talisman, together with the Estate version – which features the same qualities as the saloon – is poised to play an active part in the renewal and upgrading of Renault's high-end range. Both vehicles will

be manufactured at the firm's Douai plant in France.

Following its unveil to the media on 6th July, 2015, the Renault Talisman – along with the Estate version – will be presented at this year's Frankfurt Motor Show, which opens its gates to the public on 17th September.

The Talisman will be available for sale in Europe at the end of the year. There is no current plan for Talisman to be sold in the United Kingdom or Ireland.

A name that embodies the strengths of Renault's saloon

Renault selects names for its models that symbolise their design and personality across all markets where they are sold. True to this tradition, the Talisman has been

given a charismatic name that conjures up notions of both protection and power. At the same time, Talisman is an easy word to pronounce and is understood the world over.

This three-syllable name rolls easily and naturally off the tongue, yet it asserts the model's powerful personality and the energy it radiates. The combination of the model's strong, racy lines and innovative technologies express protection and safety. The Talisman delivers intense driving enjoyment grounded in a genuinely sensorial experience.

Saloon car essentials

For the Talisman, Renault designers opted for a three-box body style. The saloon layout – with a distinct boot – picks up on the universally accepted design practice for this type of car, whilst simultaneously blending Renault's warm and friendly DNA into the mix.

To reinterpret the rulebook, Renault's designers went back to basics to establish the ideal proportions and perfect balance between the different volumes. An overall length of 4.85 metres and a width of 1.87 metres endows the Talisman with a generous footprint that is beneficial to interior space and underscores the distinguished appearance expected of a car of this stature.

Renault's designers and engineers worked closely together to keep the roof height to just 1.46 metres and to control ground clearance. They also achieved the ideal one-third / two-thirds ratio between the glazed

areas and body panels, plus a 2.81 metres long wheelbase. The long bonnet adds dynamism to the Talisman's profile, and the large diameter wheels (up to 19-inches) are a snug fit within their sculptured arches.

Sleek styling

The Talisman is powerful and inspires confidence from the front with its distinctive chrome grille featuring the brand's upright diamond logo. Renault's new visual signature continues through the Talisman's C-shaped daytime running lights, which extend right down to the bumper. Depending on the version, the Talisman can be equipped with 100% 'pure vision' LED headlights.

The side profile is enhanced by the dynamic shape of the third side window, evoking the world of luxury limousines and the

visual promise of generous space inside. The use of chrome underscores the elegance of the Talisman's silhouette, with a strip running the perimeter of the side windows and another on the moulding that straddles the front wing and door. This arrow-shaped feature taps into the design language of sporting cars to suggest performance and aerodynamic efficiency.

The low, broad-shouldered rear incorporates distinctive tail light clusters that extend inwards towards the centreline of the boot. Their elongated shape underscores the car's grounded stance while drawing attention to the Renault logo. 3D-effect lighting provides the Talisman with a powerful visual signature. These lights are always switched on – even during the daytime – to further reinforce their visual impact.

Significantly enhanced Ford EcoSport compact and fuel-efficient SUV

THE enhanced Ford EcoSport SUV, offering styling upgrades, improved driving dynamics and new equipment is available to order for October delivery.

Customers can now specify the EcoSport compact SUV without a rear-mounted spare wheel. Interior improvements include standard partial leather seats for Titanium models and additional chrome detailing.

Convenience and comfort are also enhanced with a Winter Pack – featuring heated windscreen, heated mirrors and heated front seats. EcoSport driving dynamics have been improved with revisions to the springs, dampers, rear torsion beam, Electronic Stability Programme, and Electronic Power Assisted Steering settings.

Prices for the enhanced EcoSport, available with Ford's multi-award-winning 1.0-litre Eco-Boost petrol engine, 1.5-litre petrol engine or 1.5-litre TDCi diesel engine, start from £14,245.

"The stylish and practical Ford EcoSport offers customers a flexible and economical SUV and with these enhancements EcoSport looks and feels even sharper," said Joe Bakaj, vice president, Product Development, Ford of Europe. "EcoSport was developed in some of the most rigorous terrains and climates across the globe to make it an even more compelling option for customers as part of our growing European SUV range. In addition, the team at Lommel Proving

Ground in Belgium have further enhanced the driving dynamics to make the new EcoSport even more fun to drive on European roads."

Ford EcoSport models specified without the rear-mounted spare wheel feature a tyre mobility kit as standard, while the rear swing-gate design for those vehicles also has been revised to allow easier access to the bootspace with partial opening. All models now feature a distinctive EcoSport badge on the rear.

Inside, partial leather seats are offered as stan-

dard on Titanium models, privacy glass is available for all EcoSport trim levels, while the Winter Pack also adds rear seat ventilation at floor level to improve comfort for rear passengers in cold weather.

The restyled interior has a charcoal black lower instrument panel, centre console and door boards. The instrument cluster now features a light dimming function and chrome-surround rings to match the electric window switches.

GEM Encourages Motorcyclists To Put Safety First This Summer

ROAD SAFETY and breakdown organisation GEM Motoring Assist has issued a list of seven simple tips to help motorcyclists put safety first on journeys this summer.

GEM chief executive David Williams MBE comments: "Most motorcyclists show high levels of anticipation and observation; these are vital for staying safe. But we all have to take responsibility for our own actions, and we have a duty to drive or ride within the laws."

Follow GEM's simple 'lifesaver' safety tips and reduce the risk of being involved in a collision:

Check your motorcycle before riding. In particular pay attention to tyre pressures, tread depth, chain (if fitted) tension and lubrication and make sure all controls move freely and - where possible - are adjusted to suit you.

Make sure you are wearing appropriate safety clothing manufactured to a recognised standard. The law only covers the crash helmet, but nowadays both leather and textile garments come with protection for vulnerable areas. Remember there is no such thing as a cold wet motorcyclist, only a badly prepared one!

Take time to warm up, especially if you are not a regular rider and not 'bike fit'. Ease into the ride and make sure everything is working as it should and the tyres have warmed up before you start increasing your speed and lean angles.

Make use of all your senses when riding. You are not cocooned in a tin box so you can smell diesel and mown grass, and you can hear approaching sirens. Because you are sitting higher than most cars you can see things well in advance, giving you more time to

react.

Motorcycles have a small silhouette, so always try and position yourself so you can see into the mirrors of the vehicle ahead. If you can see the driver they can (hopefully) see you, but never assume. Trust only your senses and skill.

A motorcycle is very manoeuvrable and nimble so can filter through and past stationary and slow traffic. But do so at an appropriate speed and give yourself time to react and stop if a car suddenly turns. A rider with real skill filters slowly rather than at speed.

Remember your journey only finishes when you turn off the engine and place the machine on its stand. Make sure the ground is safe for the bike and it will not roll off the stand, causing damage or injury. Also, consider machine security to ensure it is still there when you next want to use it.

SWIMMING

Barracudas show improvement at Littledown

BRIDPORT Barracudas took a group of children to Littledown, Bournemouth, to compete at the County Development Meet held over the weekend of July 4th and 5th.

There were 15 swimmers competing over the two days and they swam in 67 races overall and achieving 45 Personal Best Times.

Nathan Moorey took Silver in the 200 IM and 100 Free Style and Bronze in the 50 Back Stroke and 200 Free Style.

Georgina Mackey took three Gold in the 50, 100 and 200 Breast Stroke.

Henry Wyrill took the Gold for his 100 IM. Eve Hewitt took the Gold in 100 and 400 Free Style, 50 Fly, 200 IM and 200 Back Stroke. Kirron Wheeler took Bronze in the 200 Free Style and Cole Dickinson took the Gold in the 100 Fly.

The other swimmers competing were Alex Moorey, Freddie Mackay, Toby Farrington, Jack Bradley, Charlotte Hussey, Chloe Burns, Caitlin Sloman, Holly Dickinson, Harry Stewart and Jessamy Fursman. Coach Dan Dew was very pleased with the results as it shows the swimmers how well they are doing

and their improvement throughout the season.

■ EVE Hewitt from Bridport Barracudas competed in the South West Open Water Swim held recently at Preston Beach, Weymouth.

She swam 1.5km in the 13 and under age group in very chilly conditions and as the competition was held under ASA rules, wetsuits were not allowed.

She finished with a fantastic time of 26 minutes and 37 seconds and although she was the only swimmer in her age group in this competition she finished third in the South West Region.

RUGBY

BRIDPORT Rugby Club has been invited to be involved in an RFU Injury Surveillance Project coordinated by a team at the University of Bath. The project will run throughout the summer and next season with the aim of providing a comprehensive understanding of the injury profile of the English men's community rugby games.

The aim of the project is to incorporate a set of injury preventing exercises into the players warm-ups and help establish whether these can reduce match playing injuries, through

proper preparation.

Bridport RFC players underwent their first assessment and training exercise on Thursday, July 9th. The session was lead by a member of the RFU/Bath team assisted by Bridport RFC Coaching Co-ordinator, Allan Staerck.

Summer training commences July 16th at 7pm at the Brewery Fields Ground. All are welcome ages 17-60; if you want to play rugby so much the better.

The club is aiming for a social second team this year.

▲ EVE Hewitt came third in South West Region at the South West Open Water Swim held at Preston Beach

Lyme Regis Sailing Club

WITH a forecast for heavy rain, strong winds and rough seas, the turnout at LRSC for the first races of the Mid Summer Series was limited compared with recent weeks.

Six finishers completed the first race, incorporating the National 18 Cup, but only three the second. Due to increasing winds, up to force six, and waves ten feet high, race officer Stuart Gurney cancelled race three of the day.

"I considered the worsening conditions and the demands on sailors of the first two races and decided to abandon the third and send them all ashore," said Stuart.

"The committee boat was pitching at anchor, making it difficult to continue managing the racing. There were several capsize among the RS 700s and 600s, but the skill shown by Dan, Jerry and Dave in big waves paid off."

Returning from Sal-

combe Regatta Week, where he had gained 23rd place in his Merlin in a fleet of 120, Dan Alsop took to his Laser with the smaller radial rig to win both races, taking full advantage of the tide and the waves whipped up by the SW winds.

In race two, he beat Jerry Rook by over a minute, with Dave Guthrie in his Phantom a close contender today. Jon Turner was top Lyme boat at Salcombe, finishing 18th.

Lyme sailors Allan Tyler, Chris and Russell Thorne and Jon Turner were competing at Weymouth Regatta this weekend.

RESULTS

Race 1 – Mid Summer Series and National 18 Cup: 1. Dan Alsop, Laser Radial; 2. Jerry Rook, Albacore; 3. Dave Guthrie, Phantom

Race 2: 1. Dan Alsop, Laser Radial; 2. Jerry Rook, Albacore; 3. Dave Guthrie, Phantom.

Lyme Regis Bowls Club

WITH PAUL MOFFITT

MIXED fortunes again in the leagues, with the ladies coming away with nothing to show from their visit to Dorchester.

Lyme 1 fared better against Dorchester's men, snaffling a fine 9-1 win, with Barry Rattenbury ending with a superb 4 shots to tie his game.

Lyme 2 were again unlucky, winning two rinks but losing the game thus collecting just four points.

In the friendlies, Lyme won two of the three games played. They lost out to Chardstock at home and this gave the visitors the double over Lyme this season.

The ladies played for the Robert Sumelka Cup on Thursday. Robert's Day, as it is known, consists of two wood seeded pairs playing a rolling knockout, the eventual winners being Nola Stephens & Pauline Knight who overcame Angela Rattenbury & Kathy Clissold. Sunday saw the annual three wood singles knockout being played for the Pelman Trophy.

After some fine bowling, the final came

down to father and son, Steve and Paul Pomeroy, competing for the spoils.

In a thoroughly entertaining game, everything was decided on an extra end. Dad Steve held his nerve and edged out the hotly fancied Paul, playing to take the title for the eighth time, to take the title.

Dorchester getting themselves out of trouble

DORSET FUNERAL PLAN LEAGUE

Premier Division

DORCHESTER 165-5 BEAT

STALBRIDGE 162 ALL OUT BY 5 WICKETS

SO FAR, so good for Dorchester captain Simon Mitchem who is looking for three wins against fellow strugglers to lift his side from the lower regions of the league.

The county towns followed up their victory over Swanage with a five wicket win against Stalbridge, and are hoping to complete the three-timer against Weymouth at Redlands on Saturday.

It didn't look very likely however as Dorchester found themselves 8-3 and then 20-4 chasing a modest target of 162, but Mitchem turned the game around with a tremendous unbeaten 87, and with support from Nick Roe and Dan Morris got them home with six overs to spare.

Stalbridge elected to bat after Mitchem lost the toss, but Dan Belt (2-22), James Dunham (2-34) and Mitchem (3-26) took wickets regularly to leave the visitors 70-5, and although everyone bowled and fielded well, Stalbridge dug in with most of their tail end making useful contributions to end 162 all out.

Dorchester made the most miserable start with Sean Fitzgerald, Pete Phillips and Belt all back in the pavilion with just eight on the board. When Marcus Evans got a snorter from Stuart Sweatman (3-29), Dorchester were rocking at 20-4.

However with Mitchem timing the ball impeccably and Nick Roe digging in at the other end, the pair added 69 for the sixth wicket. The loss of Roe (20) brought 17-year old Dan Morris to the wicket.

Despite an experienced bowling attack that as well as Sweatman, included Steve Forshaw and Andy Dike, the pair eased to victory with Morris (31 not out) hitting the winning runs.

Mitchem, whilst pleased with his form, was full of praise for Morris.

"It was great that I was there at the end, but the most pleasing thing for me was Dan's innings. A young lad who has come up through the youth side, batting like that in a tight situation. He batted superbly for an unbeaten 31 against an excellent, experienced bowling attack, and to hit the winning runs was brilliant.

"I must say at 8-3 I couldn't believe we looked like throwing the advantage away, but in the end it was a very pleasing win."

PARLEY 190-6 BEAT MARTINSTOWN

180 ALL OUT BY 4 WICKETS

LOOKING forward to playing at Dean Park, Martinstown were disappointed to find an atrocious wicket and an apologetic groundsman who had very little time to prepare having had to prepare fifteen wickets during a hectic week.

With the ball doing all sorts, captain

Ed Nichols (27) and Henry Lewis (14) they made a cautions start and with George Pope (19) they dug in and ground out a decent start. However having reached 80-1, the wheels came off as David Scott (4-36) in particular decimated the middle order to leave them 100-6.

Tom Nicholls (36) and Ryan Chase (23) set about rebuilding the innings and their dogged contributions saw Martinstown reach 186 all out.

Parley attacked from the start and Max Trueman (29) and Jamie Price (24) took advantage of some generous bowling to see the hosts 70-1 after ten overs. However Chris Read (4-33) found his line and length and at drinks, Parley were in a similar position to Martinstown at 101-5.

However captain Dominic Clutterbuck (35) and George Wilson (35no) revived their situation despite good spells from Chase (1-29) and James Pickering (1-40) who trapped the skipper leg before. Although still needin 45 for victory, Wilson and Tom Barber (26no) saw Parley home with eight overs to spare.

Nichols said: "We were looking forward to playing at Dean Court, but the wicket was atrocious. To be fair, the groundsman who apologised for its state, had so little time to prepare it, and 186 was affair total in the circumstances."

POOLE TOWN 116-1 BEAT

WEYMOUTH 113 ALL OUT BY 9 WICKETS

PERHAPS unexpectedly Weymouth decided to bat first after winning the toss on a slightly green wicket giving the bowlers some assistance.

Although opener Dean Janaway had appeared to have proved the decision correct with a stubborn half century, but apart from Simon Browne and Alex Mortimore who managed to reach double figured, he was the only one to resist as Joe Wilson returned the astonishing figures of 6-9 from 9.2 overs.

Although Mortimore removed Brewster Surridge, Poole's Badrul Alam (53no) and Tom Robinson (44no) knocked off the runs for a nine wicket victory.

County Division Two

PORTLAND RT 201-9 LOST TO

CATTISTOCK 266-4 BY 65 RUNS

CATTISTOCK had a splendid win at Portland Red Triangle, a notoriously difficult venue for them.

Winning the toss Jon Legg and Martin Langford (64) once again made a solid partnership at the top of the innings, putting on 135 for the first wicket. Legg eventually went for 82, and with contributions for captain Ben Golledge (21 not out), Steve Tucker (19 not out) and Billy Wallbridge (18), and 56 extras including 46 wides, they set a good target of 266-4.

Portland's reply went in fits and starts with four Cattistock bowlers grabbing their two wickets in pairs, Bradley Damen (2-36) left the hosts on 44-2, before Legg (2-23) grabbed two in quick succession just after Portland had put up the hundred. Liam Toohill (2-30) left Portland 132-6 before Brad Mullins (2-33) left them on the brink of defeat at 184-8.

Only Elliott Sawyer (30), Callum Laws (46) and a late 42 from Gary Randall made much of an impact for the Islanders.

County Division Three

BEAMINSTER 279-5 BEAT WIMBORNE

& COLEHILL 3RD 212-5 BY 67 RUNS

WIMBORNE and Colehill 3rds were made to rue their decision to field first as Beaminster racked up a formidable total of 279-5.

On an excellent surface for batting the Beaminster openers made a positive start putting on 101 for the first wicket. Dan Hillier looked in great touch as he hit 57 runs including three

cleanly struck maximums. However when spinner T Bartlett took three quick wickets and Hugh Rathbone departed for a well made 49, Beaminster looked liked squandering their early advantage.

The innings was transformed by an entertaining 67 run partnership between the Everitt brothers; Fred dominated with a quick fire 64 including eight 4's and three 6's in his only appearance to date for the club this season. Will (30 not out) was later joined by Dave Persey (15 not out) who both ensured the home side took full advantage of the conditions. The Wimborne replied was stifled by accurate bowling from Ross Baker who conceded just 13 runs from 9 overs with one wicket, and Will Everitt (2-25). With Adam Herring (1-52) also taking a wicket, the visitors found themselves 56-4.

However, rather than collapsing C Rimmer (111) and T Bartlett (60 not out) shared a 156 partnership. Although Beaminster's total was never in danger, the Wimborne pair ensured respectability and gave few chances before Rimmer was trapped leg before wicket by Ade Phillips (1-45).

Wimborne eventually fell 67 runs short of their target, with Fred Everitt and Arthur Gay taking two important catches.

STALBRIDGE 2ND 209-9 LOST TO

DORCHESTER 2ND 214-4 BY 5 RUNS

THIS match went to the last ball with Stalbridge needing a six to win.

Asked to bat Dorchester lost early wickets with Eiron Fitzgerald (5) caught behind, and Malcolm Stroudley (8) and Ian Legg (1) both trapped leg before wicket.

However opener Bobby Chawla was playing his strokes with great freedom along with Mike Peak they steadied the ship, both finding the boundary off the bad balls.

Chawla was finally dismissed for an excellent 89 gifting a catch to cover with five overs remaining.

Joined by skipper Stuart Beasley, the pair looked to pass the 200 mark and set about playing their shots. It paid off as they reached 214-4 with Peak finishing unbeaten on 49 and Beasley 43 not out.

The same pair opened Dorchester's attack in Stalbridge's reply. Beasley suffering stiffness gave way to Will Channon after three overs, and immediately got the breakthrough in his first over. In his next three overs Channon (4-29), the bowling with almost unplayable pace took two more wickets, before Chawla (2-46) replaced the unlucky Peak (1-33). Beasley (2-37) returned and removed two in two balls including the Stalbridge captain with a yorker.

However the final pair dug in and slowly crept towards their target and needed nine off the last over for victory. Needing six off the last ball, Alex Horne kept his nerve with a dot ball.

Beasley said: "This was a fantastic win and another great double. The whole team played well and backed

the bowlers up with their fielding. We have Weymouth on Saturday and will be looking for another double."

WEYMOUTH 2ND 258-3 BEAT

KINGSTON LACY 229 ALL OUT BY 29 RUNS

A SOLID batting display from all the Weymouth batsmen was the basis for the second consecutive victory. Although Andy Jarvis will take the plaudits for his magnificent unbeaten century, all his partners contributed as Weymouth amassed 258-3 against Kingston Lacy at Redlands.

Opener Tony Quayle hit 25 before he had to retire hurt, but Dom Webb (22) joined Jarvis to keep the score ticking over. Captain Tom Steadman (14) and first team captain Kieron Womble, unable to travel with the first team, with an unbeaten 26 then helped Jarvis, who score exactly half of his 112 runs through 14 fours, to his century.

Lacy's openers Nigel Hymas (27) and Karl Jones (26) got their side off to a good start with a stand of 50, but with Andy Anderson (3-23), Webb (3-50) and Jarvis (2-33) chipping away they found themselves 140-7. However a lively 48 from captain and hard hitting tailender Steve Maine saw them get a lot closer that Weymouth might have liked the ten men to do.

County Division Five

CHARLTON DOWN 217 ALL OUT BEAT

PORTLAND RT 2ND 179-8 BY 38 RUNS

CHARLTON Down completed their first double of the season with a 37 run victory over Portland and consolidated their second place in Division 5, mainly due to a last wicket stand of 54 from fifteen-year old Dan Stevens (30) and club stalwart Matt Venn (22).

The Charlton Down innings started brightly with 48 runs coming off the first ten overs, mainly from the bat of Jae Miller. But then the impressive left arm medium pace of Tom Dalkins (2-33) struck twice removing Miller (30) and then bowling Jack Eveleigh (16) with a lovely off stump yorker with the score on 57-2. Eveleigh's good early season form continues as he patiently played and supported Miller's aggressive start to the innings. Portland turned to spin and four quick wickets from Gareth Price (2-30) and Sam Potts (2-51), saw Charlton Down slip to 106-6. Sam Roles was the first of Price's victims for a run a ball 18, before Kim Park (7) fended off a lifting ball to wicket-keeper John Walker. Potts (2-51) Potts then removed Nick Voss (23) who looked comfortable, timing the ball nicely, as wickets were falling at the other end, what also fell into a similar trap of lifting a simple catch to mid off on a slow wicket. Javed Gill (0) was then trapped leg before as the ball bounced and kept low.

The strength of the Charlton batting order once again shone through as Matt Stevens (23) and Rob Rutter (19) lead a seventh wicket recovery with a 47 run partnership to gain valuable batting points but it was the last wicket partnership of 54 between Dan Stevens (30no) and Matt Venn (22) that took the game away from Portland.

Dan Stevens text book driving and delicate cut shots was easy on the eye and a beautifully timed lofted cover drive for six completed a lovely innings. Matt Venn produced some ferocious hitting and well timed running between the wickets to frustrate the Portland bowling, using his years of experience to push the score well past the 200 mark.

The Portland batsman found scoring runs hard against the accurate opening attack of Matt and Dan Stevens. The change in bowling saw Javed Gill strike, having Ray Price (16) caught with the score on 44-1. Gareth Price (40) hit the accelerator pedal and with some hard hitting upped the tempo until he was smartly stumped by Venn off Roles (2-33), who struck again having the dangerous Jan Davey caught

behind by Venn.

Gill (2-33) then bagged a brace and with ten overs remaining and a hundred runs required with four wickets still required, every attempt to prise the additional bonus bowling points were tried but all to avail. Although Park prised two late wickets, Rick Samuels unearthed some lust blows to remain 44 not out as the Portland score fell 37 runs short of victory.

Pete Tucker said: "The blend of youth and senior players has definitely been a major factor in the first half of the season and giving the young players a chance to develop their skills is now coming to fruition, with Eveleigh, Roles and the Stevens and Voss brothers growing in confidence as the season progresses."

MARTINSTOWN 2ND 199 ALL OUT LOST

TO CERNE VALLEY 2ND 271-7 BY 72 RUNS

CERNE VALLEY decided to bat first on a dry, bumpy and fast outfield, and got off to a quick start, despite some good bowling from James Reynolds (2-45) and Josh Coombs (2-67). Although Tony Jacobs (1-43) claimed the scalp of dangerous Neil Kellaway, a century from R Frampton (130) and captain Mark Downey (43) saw Cerne Valley accelerate. Some good fielding was mixed with a few dropped catches, as Solo Roper contributed 25 to pushed the score to 271 in their 40 overs..

Pick of the Martinstown bowlers were Reynolds and Jacobs whose overs went for less than a run a ball.

Martinstown started their reply with intent, with a six and four from Colli Crosthwaite in the first half of the second over, before a bizarre incident. Sean Williams miss hit a high full toss and was caught.

However the umpire called a no ball, and with both batsmen unaware of the situation, the fielder threw the ball in and the bats were removed, Williams made sure he was the one run out. Unfortunately the very next ball, a distracted Crosthwaite was bowled.

Despite this double setback, Martinstown kept coming at the fielding side. Tom Rimmer led the way with a chanceless 94 with support from the rest of the team, particularly Reynolds (18) and Grant Nevan (23), but with wickets falling at the other end, he was the last man out, bowled by Orlando Bailey 5-43 as Martinstown were all out for 199 with 5 overs remaining.

Good scoring day in medal

IT WAS a good scoring day in the July medal and Coronation Cup as the top three in both divisions all broke par.

The Division One winner with a wonderful nett 67 was Craig McGown with George Skellern 69 and Neal Cullen 70 in 2nd and 3rd.

In Division Two, with an exceptional score of nett 65, Luke De Pasquale had the best score of the day and elevated himself into Division One. Mark Lewis 68 and John Cleal 70 were second and third respectively.

The ladies played their club championship, and the Turner Denham Bowl (scratch) was won by Melissa McMahon with gross 154 from Anne Humphreys.

In the Wellings Salver (handicap) Hanna Jacobsen with a superb nett 144 beat Kate Smith.

The Morning Cup was won by Karen Nicholson who struck a brilliant nett 67 to pip Hanna Jacobsen and for the most improved morning to afternoon round, Anne Humphreys won the Scott Trophy.

The midweek stableford saw Mike Mudford overcome the conditions to beat Matt Watson on countback with 33 points with Jon Ebdon third on 31.

In the junior stableford club champion George Seed scored an excellent 39 points to secure a win over David Lyon, 35, and Stuart Wight 27.

Lyme's Hardy A team secured a convincing cup win against Moors Valley to go through to the semi-finals and the previous day the Hardy B side managed a 5-0 win, also against Moors Valley.

● In last week's article it was reported that George Seed had won with a record breaking ten better than par score over two rounds which should have read eight – still a club record though.

Lyme Regis Sea Angling

Light picking in Wednesday night fishing match

TWELVE anglers fished the Wednesday league match for the heaviest two fish,

Being a 'rover' anglers could fish places other than Lyme with most choosing to fish Branscombe direction.

Wind was north westerly so the sea stayed fairly flat though quite coloured.

Only three anglers managed to catch two species that were in size, even pout were illusive!

First place went to Robert K with a unweighed dog fish and a Bull Huss of 4226 grams!

Second place went to Simon Lippett with a Dog Fish of 852grams and a Bull Huss of 1261 grams.

Third place went to Darren 'Goggles' Herbert with a Ballan Wrasse of 755 grams and a Bull Huss of 1151 grams.

Bridport Jurassic Coast Run

THE third Bridport Jurassic Coast Run which took place last Sunday, was a grand day for everyone participating, despite constant rain and Thornecombe Beacon being inaccessible due to heavy fog.

It was also a huge success for the joint organisers Bridport Runners, Brit Valley Rotary Club and the Bridport Leisure Centre: 150 runners participated in the three races over the distances of 10k, 5k and 1 mile; up from 130 runners the year before.

The event was not only a competitive race but a family and community occasion as well, with the youngest runner being five, the oldest 75-years old, a stag-party on the run, children enjoying the Treasure Hunt, and families checking out Bridport Leisure Centre and its pool on the day.

Race day started a bit with a shock, as the organisers had to shorten the 10k route up to Thornecombe Beacon on recommendation of the Coast Guard due to safety reasons. However, some runners were quite relieved not to take on the full gruesome climb to the Beacon, the second highest hill on the south coast.

A full 100 participants registered for this race. Many came from running clubs nearby and far away, among them a complete stag-party from the Lordshill Road Runners of Southampton. Their fastest runner, Andrew Griggs; not the bridegroom, though; won the 10k in 40 minutes and 44 seconds.

The longest journeys were probably done by Gregory Skelton from Askern District Running Club in Yorkshire who happens to be an Ex-Bridport Runner, and Lydia O'Donoghue from the Ealing Eagles Running Club in London. She was also the

fastest woman on the 10k course in 48:54 min. Fastest veterans (over 50 years of age) were Nigel Gates (42:48) and Alison Turner (1:08:10). The oldest runner, however, was the one with the most running experience of them all. Patricia Seabrook (75) has run 28,000 miles in her life so far and 460 marathons all over the world, including two in Australia!

The best time on the 5k course which also included the Jurassic Coast at West Bay was run by Thomas Crabtree in 23:35; only 11 seconds over the record time on this course set last year, whilst the fastest female runner was Olivia Willmore in 31:35, who had already won the 1 mile race the year before.

Many young, but already fast runners had started before in the 1 mile for the under 12's on the fields near the Leisure Centre. Fastest boy was Owen Pitcher, fastest girl was Lucy Guy. The 1 mile race also saw three five year old boys and a girl as the youngest starters.

"It seems as if our Jurassic Coast Run can only go from strength to strength," said a very pleased Bridport Runners' Chair Brian Shelley after the race, in which he himself started for the first time.

He thanked all the helpers involved in the event for their support, long before and on race day, and Bridport Timber as sponsor of the 10k and 5k run.

"If you look around Bridport and West Bay on any evening there are so many people running," Brian remarked.

"I hope that the increase in participation, both in the Bridport Jurassic Coast Run and in membership of Bridport Runners including our three Beginners Groups so far, has contributed to this."

Jack Russells finally meet their match

LIZ Walker, Peter Sandall and Ivor Parker's Beagles finally ended the Jack Russells 100 per cent winning start in the Evening League in dramatic style, thumping them 20-7.

Penny and Robin Pither and Mike Parson's Foxhounds trounced Elk Hounds 26-6, whilst Viv Gill, Sylvia and Mike Fletcher's Harriers thumped Colliers 23-4. The Dalmatians of Sue Caen, Martin Wilton and Barry Mapson were also big winners defeating Great Danes 20-9.

A six count on the final end gave Tony Sharood, Pete Cowburn and Rees's Airdales a 13-11 win over Kerry Blues.

Penny Pither was the hero for the Junipers in the Morning League. She was two shots down with one wood left, but a superb pick up of the jack gave her side a seven count and they went on to win 15-13 over Beeches.

Pat Anderson and Rose and Chris Everest's Firs had a 4,6 burst to beat Ebonies 16-12, whilst John Boxall, Tony Harrison and Hugh Rees's Kingwoods had two six counts to beat Alders 21-9.

Sharood, Ann Parkins and Millie Meech's Hazels finished 2,2,2,1 for a 14-10 victory over Cedars, with Ruby and Bernard Winton and Mapson's Gum Trees winning 14-7 against Dogwoods.

Pat and Roger Cowmeadow and Peter Varney were top rink in the club's game against Dorchester with a 18-11 win, and Peter Hawkett, Julie Bright and Keith Jenkins also recorded a 20-14 win.

Captain Brian Baker was the villain for Bridport though. With Dorchester two players short he sportingly offered to play for them and with Margaret Fifield also guesting they won 20-6 to give Dorchester the overall win 44-45.

Miserable week for Bridport

IT WAS a miserable week for both Bridport men and ladies with them all losing.

Magpies tested by Salisbury in friendly

Dorchester Town 0 Salisbury 2

DORCHESTER Town kicked off their pre-season with defeat by Steve Claridge's newly formed Salisbury last Wednesday.

Manager Mark Jermyn started the game with a strong looking side, before introducing eight changes in the second half formed of other squad members and trialists.

Permanent summer signing Mark Irvine and the returning Neil Martin started along with former striker Dan Cann, and Lewis Blackmore who was on trial at The Avenue two years ago.

Among the Salisbury squad was former Magpie central defender Steve Walker, and striker Mark Ford who was at Weymouth last season.

After a tepid start, the first effort on goal

came from the visitors full back George Colson who warmed Alan Walker-Harris's gloves with a 25 yard shot he turned away for a corner.

Just before the half-hour Whites' striker Sam Wilson neatly turned but fired straight at Walker-Harris, before a looping header from Pip Nolan cleared the Dorchester crossbar.

Salisbury deservedly took the lead on 36 minutes when Walker-Harris did well to parry Claudio Herbert's angled volley, but the ball ran to Kane O'Keefe who fired home from close in.

Dorchester's first effort on goal came two minutes before the break from a free kick awarded for a foul on Cann, but captain Jake Smeeton's 25-yard effort came back off the right hand post with White's keeper Gareth Barfoot well beaten.

Dorchester made three changes at half-

time with Bridport Youth's Jonah Ayunga, Blackmore, Shane Murphy and Jason Brookes entering the fray.

Salisbury introduced Ford and he almost scored on 64 minutes. Lewis Brayley made room for himself on the left and his cross found the inrushing Ford. His glancing header looked goalbound, but Murphy pulled off a tremendous save, twisting in the air to push it to safety.

Jermyn then gave Josh Gosling, Max Priestwood and Miles Gosling a taste of the action, but little was seen of the Dorchester attack, and it was the Whites' substitute Ashley Jarvis that made the biggest impression.

Seconds after coming on he almost scored when he got through on the left, but he just shot wide of the far post, and then after Ayunga had forced Barfoot into a save down to his left, Barnes added Sal-

isbury's second when he arrived like an express train to meet Danny Young's cross and bury his glancing header into the net.

Dorchester visited St Mary's Field last night (Tuesday) before hosting a Yeovil Town under 18s side tomorrow (Thursday).
